

Summer PHOTO ADVENTURES

PHOTO PROMPTS

Try some of these adventures--with family and friends--that your young photographer can capture and share for the online Showcase!

Town Tourist

Think of something famous or well-known locally in your city or town that you haven't seen yet--make a list with family or friends. Choose a spot or two and explore like a tourist! Your child is the designated photographer!

Treasure Seeker

Going to the beach? Search for shells, sea glass, crabs. To the desert or a hiking trail? Look for sand, pebbles, freshwater shells. Be sure to get photos of the hunt and the treasures!

Creature Creative

Can you spot fireflies where you live or travel? Do a photo challenge with family or friends and see who can get the most interesting photo with these wonderful creatures! Have your child take photos during the fun! (For tips on how to interact with fireflies, enjoy this video from PBS Kids' Wild Kratts.)

Make Art

Use wrapped canvas, construction paper, poster board, bottle caps, buttons, straws--anything on hand. Explore the area around your house--your yard or a park, for example--or your vacation spot. Find some natural things (rocks, sticks, leaves, etc.). Have each person contribute one thing they find.

Scavenger Hunt

Do a photo scavenger hunt where you live or vacation--try to find these things (remind your student to get photos of your search and what you see): Someone wearing a cowboy hat, someone eating an ice cream cone, someone skateboarding, a cat or dog looking out of a window, outside water (a puddle, creek, pool, etc.), etc.
