

# CY monster

BY Luke G

One day my baby brother  
CY monster was born.  
Everyone was happy. Everyone  
but me! I could see he was  
a monster. He had long claws  
for scratching me.

I try to tell my mom that  
he is a monster, she doesn't  
believe me. She thinks he is  
perfect. I don't! I think he is  
terrible. He has red eyes  
a tail and horrible claws.

He is a monster.

Ouch! When mom is not looking  
he claws me and beams  
me with his eyes. He  
slaps me with his tail.

Uh oh

Then mom saw him. She  
believed me. We wanted  
to turn him into a baby  
again. I had an idea,  
I gave him a toy. His  
claws disappeared. I gave  
him a hug and his tail  
and red eyes went away. When  
you're kind, you can kill  
a monster.
