Once a upon a time  
there was an apple.  
he was stuck on a tree  
he wished he could get  
down.

He saw lots of kids  
having fun. He wished  
he could have fun to.

He saw the ice  
cream truck and  
he does enjoy  
ice cream but if he  
even wanted, to he  
couldn't.

Just then a storm was coming  
and he had to get off quickly.

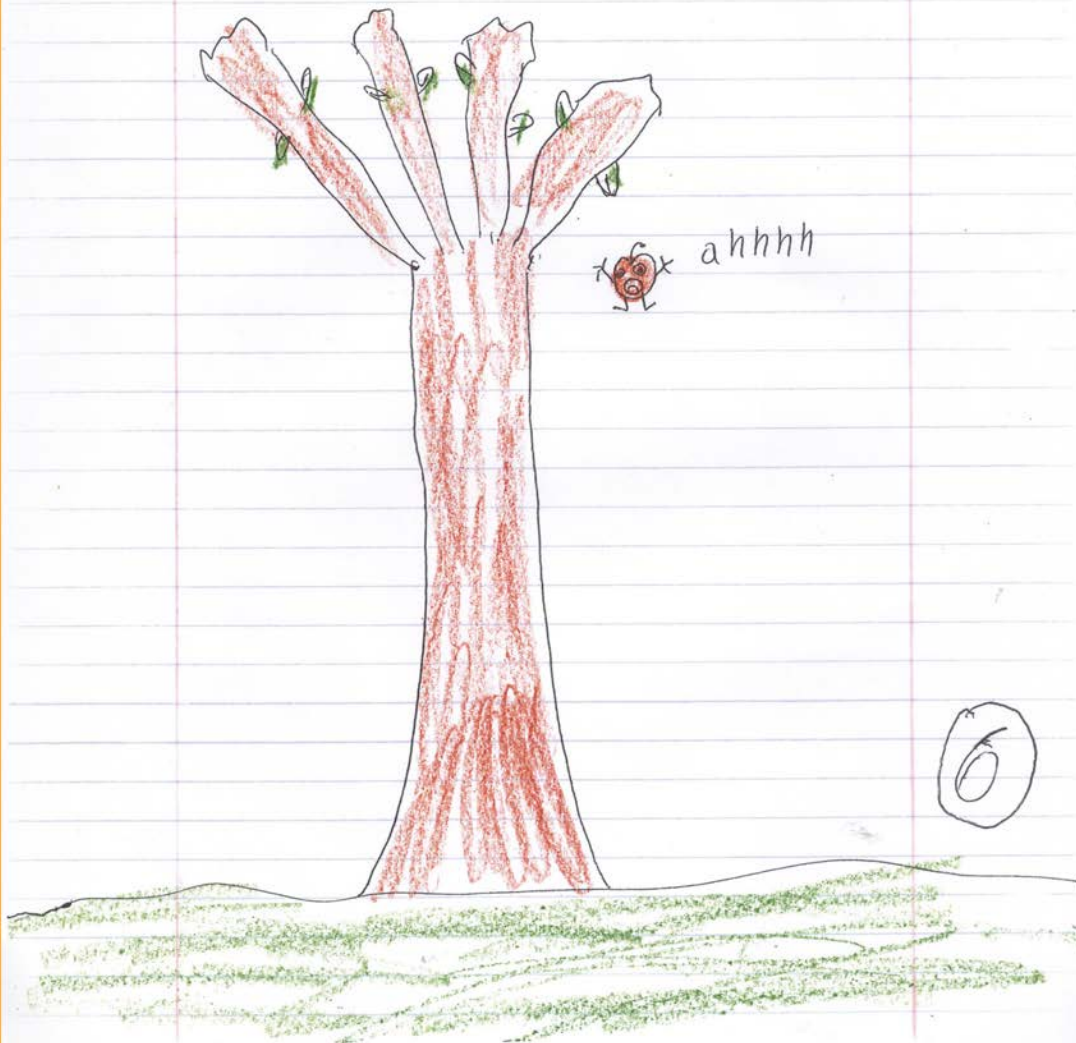

Then the wind blew  
the rain clouds away. And  
the sun came out. The  
apple was hanging off the tree about  
ready to fall.

Then finally he dropped  
down to the ground.

Then he realized that up there  
no one could eat him!

Just then a boy came  
along and said my what a  
tasty looking apple. the boy  
took him home.
